

REACH Declaration of Compliance

Nordalp AB hereby declares that the products supplied under the Nordalp brand comply with the requirements of Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

Based on information provided by our suppliers, the products do not contain Substances of Very High Concern (SVHC) listed by the European Chemicals Agency (ECHA) in concentrations exceeding 0.1% weight by weight (w/w) at the article level, according to the SVHC Candidate List valid as of 5 November 2025, including all previous updates.

Signed for and on behalf of Nordalp
